

## Chappaquiddick Island Association

### *The purpose of the Association shall be:*

To promote the welfare and operate in the best interests of the Island of Chappaquiddick and of those who make it their permanent or seasonal home. To preserve the beauty and charm of the Island, and to maintain its ecological and environmental character by directing progress into channels which will retain its uniqueness without causing hardships to its residents. The Association shall be a non-profit corporation organized and existing under the laws of the Commonwealth of Massachusetts. The Association, through its officers and directors will take any and all action deemed necessary and proper to obtain and maintain the not for profit status of the association.
